# *DEDICATION*

Essex Aggie Faculty

The Class of 1997 proudly dedicates this yearbook to the entire faculty.

To choose one teacher is an impossible task, for everyone has something unique about himself. The time and effort these people have put into our class is so extreme, we feel all should be appreciated in a way no other than this. Thank you all so much for your ingenuity and drive to make our four years at Essex Aggie unforgettable and successful.

# ADMINISTRATION

Helen M. Hegarty, Principal

To the Class of 1997

It is my pleasure to congratulate you on the successful completion of your high school program. Your four years at Essex have gone by quickly and you are now ready for your entry into the world. You have been well trained by teachers and administrators who really care about you and your success. I know that each one of you is capable of fulfilling your goals.

May the friendships you found here last a lifetime. May your memories of high school grow in fondness and may the education and the values learned at Essex be the foundation and strength of your dreams.

Sincerely,

*Helen M. Hegarty*

Helen M. Hegarty  
Principal

To the Class of 1997

I will always have fond memories of your class, for you are the first group of students to go through four years of me as Assistant Principal. We both survived.

I have been very impressed with the way you matured, taking on more leadership and responsibilities along the way. Your successes in the classrooms, on the playing fields and courts, and in your summer projects have been an inspiration to the classes that follow you.

I am sure you will carry this positive momentum with you into your careers or colleges and continue to be successful.

Sincerely,

*Richard J. Barbeau*
